Hanna Langholz Wilson Ellis pleased to announce that Brendan McManus has joined the sales team.

Brendan will be focusing on general brokerage at HLWE.

Brendan brings an unrivaled skill set to our firm. An entrepreneur, a manager, a marketer, and a salesman. Brendan's vast experience in various businesses and ventures, coupled with his past affiliation with the Hanna family, will provide us with a fresh perspective on existing processes and clients, as well as providing us with new opportunities given his national marketing experience.

Brendan started his commercial real estate career in 1989 as the Vice President and General Manager of the Howard Hanna Commercial Division where he managed twelve agents and supervised the Director of Property Management.

In 1995, he left Howard Hanna to follow his passion and started working for Chip Ganassi as Vice President of Business Development where he was responsible for sales and marketing activities in three business groups; Target Chip Ganassi Racing, Chicago Motor Speedway, and Chip Ganassi Racing.

Over the past few years, Brendan has founded and run various businesses, both inside and outside of the real estate field.

"I am very excited to join HLWE. I look forward to learning from the HLWE team as well as adding value by bringing my unique and diverse work experience to the table." said Brendan.

Welcome Brendan!
